

# KEK-PH Lectures and Workshops 2020

## Thursday, 4 February 2021

KEK-PH Long-lived particles: Lecture (17:00 - 18:30)

-Conveners: Ishida Hiroyuki

| time  | [id] | title                            | presenter                      |
|-------|------|----------------------------------|--------------------------------|
| 17:00 | [51] | BSM Physics with Light Particles | Prof. SHAPOSHNIKOV,<br>Mikhail |

# Wednesday, 10 February 2021

## KEK-PH Long-lived particles: Lecture (10:00 - 12:00)

-Conveners: Mihoko Nojiri

| time  | [id] | title  | presenter        |
|-------|------|--|------------------|
| 10:00 | [52] | Fixed target experiments using electron and positron beams | SAKAKI, Yasuhito |
