

**Probe into core-collapse SuperNovae via Gravitational-Wave and neutrino signals (SNeGWv2021)**

Contribution ID: 11

Type: **not specified**

**New modules of Super-Kamokande for super nearby supernovae**

*Thursday, 2 December 2021 10:05 (35 minutes)*

**Presenter:** Dr MORI, Masamitsu

**Session Classification:** Supernova neutrino observation (chair: Mark Vagins)
