

# Probe into core-collapse SuperNovae via Gravitational-Wave and neutrino signals (SNeGWv2021)

Wednesday, 1 December 2021

Supernova simulation (chair: Kohsuke Sumiyoshi) (09:30 - 10:40)

time	[id]	title	presenter
09:30	[3]	Core collapse supernovae: connecting theories, simulations, and observations	Dr NAGAKURA, Hiroki
10:05	[4]	3D Simulations of Rapidly Rotating Core Collapse: Gravitational Waves and Neutrinos	Dr SHIBAGAKI, Shota
