

Probe into core-collapse SuperNovae via Gravitational-Wave and neutrino signals (SNeGWv2021)

Wednesday, December 1, 2021

Supernova simulation (chair: Kohsuke Sumiyoshi) (9:30 AM - 10:40 AM)

time	[id] title	presenter
9:30AM	[3] Core collapse supernovae: connecting theories, simulations, and observations	Dr NAGAKURA, Hiroki
10:05AM	[4] 3D Simulations of Rapidly Rotating Core Collapse: Gravitational Waves and Neutrinos	Dr SHIBAGAKI, Shota
