

Probe into core-collapse SuperNovae via Gravitational-Wave and neutrino signals (SNeGWv2021)

Wednesday, 1 December 2021

Supernova and EOS (chair: Tomoya Takiwaki) (13:30 - 15:15)

time	[id] title	presenter
13:30	[7] Influences of Nuclear EOS on Core-collapse Supernova Simulations by the Boltzmann-radiation-hydrodynamics	Dr HARADA, Akira
14:05	[8] Gravitational wave asterosesimology and universal relations	Dr SOTANI, Hajime
14:40	[9] Equation of State from Color-Molecular Dynamics	Dr YASUTAKE, Nobutoshi
