

Probe into core-collapse SuperNovae via Gravitational-Wave and neutrino signals (SNeGWv2021)

Thursday, December 2, 2021

Supernova neutrino observation (chair: Mark Vagins) (9:30 AM - 10:40 AM)

time	[id] title	presenter
9:30AM	[10] Pre-Supernova Alert System for Super-Kamiokande with Gadolinium	Dr NASCIMENTO MACHADO, Lucas
10:05AM	[11] New modules of Super-Kamokande for super nearby supernovae	Dr MORI, Masamitsu
