

Probe into core-collapse SuperNovae via Gravitational-Wave and neutrino signals (SNeGWv2021)

Thursday, 2 December 2021

Supernova neutrino observation (chair: Mark Vagins) (09:30 - 10:40)

time	[id]	title	presenter
09:30	[10]	Pre-Supernova Alert System for Super-Kamiokande with Gadolinium	Dr NASCIMENTO MACHADO, Lucas
10:05	[11]	New modules of Super-Kamokande for super nearby supernovae	Dr MORI, Masamitsu
