

KEK Theory Meeting on Particle Physics Phenomenology (KEK-PH2022) and International Joint Workshop on the Standard Model and beyond

Tuesday, 29 November 2022

Short talks 2-A (15:45 - 16:25)

-Conveners: Kingman Cheung

time	[id] title	presenter
15:45	[33] Impact of first-order phase transitions on dark matter production in the scotogenic model	SHIBUYA, Hiroto
16:05	[43] Superheavy Dark Matter Production from Symmetry Restoration First-Order Phase Transition During Inflation	ZHOU, Siyi
