

# KEK Theory Meeting on Particle Physics Phenomenology (KEK-PH2022) and International Joint Workshop on the Standard Model and beyond

Tuesday, 29 November 2022

Short talks 1-B (11:25 - 12:05)

-Conveners: Yoshiyuki Watabiki

time	[id]	title	presenter
11:25	[17]	Residual flavor symmetry breaking of modular flavor models from the string landscape	ISHIGURO, Keiya
11:45	[31]	Modular symmetry in the SMEFT	OTSUKA, Hajime
