

# KEK Theory Meeting on Particle Physics Phenomenology (KEK-PH2022) and International Joint Workshop on the Standard Model and beyond

Wednesday, November 30, 2022

Short talks 4-B (3:45 PM - 4:25 PM)

-Conveners: Masashi Aiko

time	[id]	title	presenter
3:45	[37]	Primordial black holes as a probe of electroweak phase transition	TANAKA, Masanori
4:05	[15]	CP-violating effects on gravitational waves in a complex singlet extension of the Standard Model with degenerate scalars	IDEGAWA, Chikako
