

# KEK Theory Meeting on Particle Physics Phenomenology (KEK-PH2022) and International Joint Workshop on the Standard Model and beyond

Thursday, 1 December 2022

Short talks 6-B (11:25 - 12:05)

-Conveners: Masato Yamanaka

time	[id] title	presenter
11:25	[11] SMEFT effects on gravitational wave spectrum from electroweak phase transition	HASHINO, Katsuya
11:45	[26] Electroweak baryogenesis in aligned two Higgs doublet model	MURA, Yushi
