

KEK Theory Meeting on Particle Physics Phenomenology (KEK-PH2022) and International Joint Workshop on the Standard Model and beyond

Thursday, 1 December 2022

Short talks 8-B (17:25 - 18:25)

-Conveners: Gregory Joseph Loges

time	[id] title	presenter
17:25	[38] Swampland program from amplitudes: gravitational positivity bounds	TOKUDA, Junsei
17:45	[32] Gravitational positivity bounds on dark photons	SATO, Sota
18:05	[39] Entropy constraints on effective field theory	UEDA, Daiki
