

ISBA 2022 COVID-19 infection prevention guidelines

To prevent COVID-19 infection, we would like to ask all onsite participants including lecturers to follow this guideline.

【Inside the building】

Please wear a mask when you are talking.

Please wash your hands frequently.

Please take frequent antigen tests during the school.

【While you are eating…】

Please wear a mask when you talk.

Please keep your voice down.

【When you feel any symptoms similar to cold…】

Please contact our secretariat at the following phone number or email immediately.

Phone: +81-(0)9034751997

Email:isba22@ml.post.kek.jp

Please follow our instruction.

【When your COVID-19 test is positive during the school…】

<Symptomatic case>

Please stay at your hostel room for 7 days and take a COVID-19 test on the 8th day. Once your test result is negative, you can join the school in-person.

<Asymptomatic case>

Please stay at your hostel room for 5 days and take a COVID-19 test on the 6th day. Once your test result is negative, you can join the school in-person.

<School Operation>

We will run the lecture part of the program by online at least 3 days in a row. The hands-on training part of the program might be cancelled depending on the situation.
