

KEK Theory Workshop 2023

Wednesday, 29 November 2023

Plenary Session: Tetsuya Onogi (10:00 - 11:00)

-Conveners: Sinya Aoki

time	[id]	title	presenter
10:00	[8]	Chiral theory as edge modes	Prof. ONOGI, Testuya

Plenary Session: Tatsuhiro Misumi (11:30 - 12:30)

-Conveners: Sinya Aoki

time	[id]	title	presenter
11:30	[10]	Research on QFT beyond the high-symmetry regime -resurgence, lattice and graph-	Prof. MISUMI, Tatsuhiro

Thursday, 30 November 2023

Plenary Session: Tadashi Takayanagi (09:00 - 10:00)

-Conveners: Shin Nakamura

time	[id] title	presenter
09:00	[29] On Holography in de Sitter Space	Prof. TAKAYANAGI, Tadashi

Plenary Session: Tomonori Ugajin (10:15 - 11:15)

-Conveners: Shin Nakamura

time	[id] title	presenter
10:15	[30] The Petz (lite) recovery map for scrambling channel	Prof. UGAJIN, Tomonori

Plenary Session: Yuta Hamada (11:30 - 12:30)

-Conveners: Shin Nakamura

time	[id] title	presenter
11:30	[33] Exploring the Landscape of 6d supergravity	Mr HAMADA, Yuta

Friday, 1 December 2023

Plenary Session: Hiroshi Suzuki (09:00 - 10:00)

-Conveners: Tamiaki Yoneya

time [id] title

presenter

09:00	[31] Gradient flow exact renormalization group: Illustration in the gauged NJL model	Prof. SUZUKI, Hiroshi
-------	--	-----------------------

Plenary Session: Hikaru Kawai (10:30 - 11:30)

-Conveners: Tamiaki Yoneya

time [id] title

presenter

10:30	[32] Problems and Prospects of Quantum Gravity and String Theory	Prof. KAWAI, Hikaru
