

Statistical Analysis of Random Fields in Cosmology

Wednesday, 6 March 2024

Chair: Ken Osato (15:00 - 16:20)

time	[id] title	presenter
15:00	[17] Galaxy shape/alignment statistics as a novel cosmological probe	TARUYA, Atsushi
15:40	[16] Symmetry breaking in the large scale distribution of spin vector of galaxies?	IYE, Masanori
