

# Reimei workshop on Hadron interactions with strangeness and charm

## Friday, 28 June 2024

### Session 6 (10:30 - 12:00)

time	[id] title	presenter
10:30	[16] What we learned about heavy-quark hadronization in small and large collision systems	KWEON, MinJung
11:00	[17] Exploring dense nuclear matter in heavy-ion collisions	KITAZAWA, Masakiyo
11:30	[18] Study of hadronic phase using resonances in relativistic heavy-ion collisions	LIM, Sanghoon
