

Reimei workshop on Hadron interactions with strangeness and charm

Friday, 28 June 2024

Session 7 (13:30 - 15:00)

time	[id] title	presenter
13:30	[19] Spin polarization and alignment in heavy ion collisions	HUANG, Xu-Guang
14:00	[20] Recent developments in relativistic magnetohydrodynamics	HATTORI, Koichi
14:30	[21] Identifying the two polarization modes of the (axial)vector meson	PARK, In Woo
