

7th international school on Beam Dynamics and Accelerators

Contribution ID: 74

Type: not specified

Investigating the Effects of Cathode-Anode Voltage and Number of Electron Emission on Electron Trajectory Simulation in 300 KeV Electron Beam Accelerator

Saturday, 2 November 2024 21:00 (10 minutes)

Presenter: Mr KOMARUDDIN, Komaruddin (Fitrah Islamic World Academy)

Session Classification: Student Session 4
