

**Requests for your cooperation
for a follow-up survey by KEK IINAS-NX
V1.1 2023-05-16**

To All School attendees,

"Inter-Institution Network for Accelerators Science to Next Generation (IINAS-NX)" is one of the projects of High Energy Accelerator Research organization (KEK, Japan). One of the missions of IINAS-NX is to train young international researchers for high energy accelerators and related research fields. KEK IINAS-NX supports the budget for the school you are attending.

We would like to request your cooperation for a follow-up survey to collect the impacts of the KEK IINAS-NX project.

【How to follow-up】

KEK IINAS-NX will follow up your Research Results and Career Information on your ORCID account.

[What is Research Result?]

- Scientific articles, research papers, dissertation, treatise, and conference proceedings.
- Oral and poster presentations at academic events such as conferences, symposiums, and academic society meetings.

[What is Career Information?]

- Information of the position and affiliated institution after your school participation.

[What is ORCID?]

Please refer to "About ORCID" as attached.

【Handling of the information】

KEK IINAS-NX will use ONLY the total number of the Research Results and Career Information on your ORCID account. Your name and email address may be provided to the survey system vender of KEK IINAS-NX for performing the survey. Otherwise, your personal information including your name, email address, contents of your paper or any products **WILL NOT** be used or disclosed to others.

【Required Action from you】

After attending the school, you will receive an e-mail as shown below from do_not_reply@atlas.jp which is the KEK IINAS-NX's survey system vender. After you verify

your ORCID ID and grant your permission to KEK IINAS-NX for updating your ORCID record, the name of the school you attended will be added to your record on your behalf. No further modifications will be made to your records by us.

Sample e-mail you will receive after attending the school

You will receive an e-mail regarding ORCID from IINAS (do_not_reply@atlas.jp) as below.
Please Follow the e-mail to verify your ORCID iD and grant your permission to KEK to update your ORCID record on your behalf.

The image shows a screenshot of an email and the ORCID login page. The email is from do_not_reply@atlas.jp and contains a link to verify the ORCID account. The ORCID login page has fields for 'Email or ORCID ID' and 'ORCID password', and buttons for 'Sign into ORCID or Register now', 'Personal account', and 'Institutional account'. Annotations include: a red box around the email address with a note 'IINAS uses a system provided by Atlas Co., Ltd. Therefore you will receive the email from 'do_not_reply@atlas.jp'.'; a red box around 'KEK スクール' in the 'Education' section with a note 'Name of school you have attended.'; and a blue box with instructions: 'After clicking the URL in the email, you will see ORCID login page. • Who has ORCID iD Verify your ORCID iD and Proceed to grant your permission to KEK • Who has no ORCID iD Go to "Register now" and get your ORCID iD'. A red arrow points from the 'Sign into ORCID or Register now' button to the blue instruction box.

We would much appreciate your understanding that KEK IINAS-NX will track your record to see your Research Results and Career Information on your ORCID account. You will receive a few emails from KEK IINAS-NX in a year requesting you to update your record on ORCID until [March 31, 2029](#).

Please feel free to contact KEK IINAS-NX office for your concerns.

About ORCID

* Refer to “<https://orcid.org/about>”

1. What's ORCID ?

ORCID Researcher Number is an identifier number (Persistent ID) that researchers can obtain themselves, administered by an international nonprofit organization ORCID, Inc.

2. What's the benefit?

- Based on this number, the research results and the activities history of each researcher will be linked, and it is connected to the system operated by journal publisher, university, research institution and many other academic information services.
- ORCID makes your information for your academic background, achievements, and research results to be guaranteed with approval by your institute and related organization.
- ORCID increases your name recognition.
- You can use the same Researcher Number throughout your life, even if you change your name, affiliation, or residential country.
