HSI/HTAR Support Transition Update

Monday, 16 October 2017 16:30 (30 minutes)

LBNL/NERSC has entered into a transitional support agreement with Gleicher Enterprises, LLC, on behalf of the HPSS Collaboration, to provide continued user support for HSI and HTAR. This talk will give an overview of the transitional HSI/HTAR support model. Topics include a description of the current agreement with LBNL/NERSC, how to get HSI/HTAR support under this agreement, and terms of the proposed HSI/HTAR support transition to the HPSS TC.

Presenter: BALTHASER, Nicholas (Lawrence Berkeley National Lab/NERSC)

Session Classification: Site reports
