

Evolution of the inhomogeneous universe: From Inflation to structure formation

Thursday, 7 November 2024

Inflation and Early Universe 1 - Seminar Hall (09:20 - 11:40)

-Conveners: Yuko Urakawa

time	[id] title	presenter
09:20	[8] Non-Gaussianity in Primordial Black Hole Formation	PI, Shi
10:00	[9] Radiation exchange in primordial gravitational waves	OTA, Atsuhisa
10:40	Group photo and Coffee break	
11:00	[10] Primordial Black Holes from double-field inflationary models	ZHANG, Ying-li
