

# Symposium of the US-Japan Science and Technology Cooperation Program 2025

## Tuesday, May 13, 2025

Plenary talks - Research Progress Reports - - International Hall (1:30 PM - 2:30 PM)

-Conveners: Sam Posen

time	[id] title	presenter
1:30☒PM	[20] Enabling New Machine Learning Techniques for the Data-Driven Physics Modeling and Analysis of Long Baseline Neutrino Oscillation	DE PERIO, Patrick
1:50☒PM	[21] Cleanroom robotic application research and development	YAMAMOTO, Yasuchika
2:10☒PM	[22] Advanced Material Studies for High Intensity Proton Production Targets and Windows	MAKIMURA, Shunsuke
