IWAA2026

18th International Workshop
on Accelerator Alignment

KEK, Tsukuba, Japan

"Ryochi Yogaku Shinan", T. Nakada ed., Tohoku University Library

OCTOBER 5 – 9, 2026

@ TSUKUBA International Congress Center (EPOCHAL)

The IWAA focuses on large scale and high precision positioning of particle accelerators and photon science experiments, providing a venue for the exchange of information between physicists, geodesists, surveyors and other specialists. The fields of physics, geodesy, geomatics, metrology and traditional surveying overlap in this unique gathering.
