

Welcome to

**KEK-PH 2026 winter**

February 16-19, 2026

# Welcome!

Local organizers are excited about the wonderful list of participants.

Before enjoying the talks, we have a few announcements.

# For speakers:

Please share your slides via Zoom from your own laptop.  
We also provide a shared laptop.

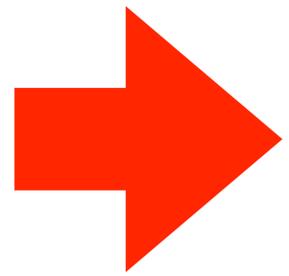

Zoom is not used for broadcasting.

In particular, the audio will not be streamed.

# KEK Theory Meeting on Particle Physics Phenomenology (KEK-PH2026winter)

Feb 16 – 19, 2026  
San-go-kan (Building #3)  
Asia/Tokyo timezone
