

KEK Theory Meeting on Particle Physics Phenomenology (KEK-PH2026winter)

Tuesday, 17 February 2026

parallel session A: Theory - Seminar hall (10:40 - 11:40)

time	[id]	title	presenter
10:40	[14]	Analysis of Monopoles Associated with Multi-Step Spontaneous Breaking of Gauge Symmetries	MIYA, Fukutaro
11:00	[15]	Supersymmetric Gauge Theories with Confining Phases	ISHIKAWA, Riku
11:20	[16]	Generalized CP from non-invertible selection rules	OTSUKA, Hajime
