

KEK Theory Meeting on Particle Physics Phenomenology

(KEK-PH2026winter)

Thursday, 19 February 2026

parallel session A: DM - Seminar hall (10:40 - 11:40)

time	[id]	title	presenter
10:40	[60]	Superheavy Supersymmetric Dark Matter	PARK, Seong Chan
11:00	[61]	Diffuse Multi-messenger Signals of Dark Matter Powered Stars	SCHWEMBERGER, Tom
11:20	[62]	MeV-Scale Sterile Neutrino Dark Matter and Future Detection	FUJISAWA, Subaru
