Session Program

8–10 Dec 2026

QUPosium2026

Precision atomic, molecular physics & quantum sensing

Epochal Tsukuba International Congress Center, Convention Hall 200
2-20-3, Tsukuba, Ibaraki, Japan, 305-0032

Tuesday 8 December

16:00

Precision atomic, molecular physics & quantum sensing

Session |
Location: Epochal Tsukuba International Congress Center, Convention Hall 200, 2-20-3, Tsukuba, Ibaraki, Japan, 305-0032

16:00–16:50 **Harnessing Molecular Complexity for Quantum Science**

Speaker
John Doyle

16:50–17:20

Development of Multiplatform Quantum Sensing Methods for Biofunctional Imaging

Speaker
Hitoshi Ishiwata

17:20–17:50 **TBD**

Speaker
Volodymyr TAKHISTOV

17:50
