Neutral Naturalness and its UV realization

Wednesday, 5 December 2018 16:45 (15 minutes)

We will present a neutral naturalness model with emphasizing the realistic misalignment between the electroweak scale and the new physics scale, and we will discuss its Ultraviolet realization in holographic Higgs setup, which realizes the finiteness of the Higgs potential.

Presenter: XU, Ling-Xiao (Peking University)

Session Classification: Parallel Session 2
