

International workshop on non-invasive beam profile monitors for hadron machines and its related techniques: 3rd IPM workshop

Wednesday, 19 September 2018

Beam Induced Fluorescence Monitors and the other monitors (10:00 - 12:00)

time	[id] title	presenter
10:00	[7] J-PARC Primary Beamline Beam Induced Fluorescence Profile Monitor R&D	Dr FRIEND, Megan
10:30	[10] Non-destructive 2-D beam profile monitor using gas sheet in J-PARC	Dr KAMIYA, Junichiro
11:00	[15] Development of a Gas Distribution Measuring System for 2-D Beam Profile Monitor Using Gas Sheet	Mr YAMADA, Ippei
11:30	[13] Residual Gas Ionization Profile Monitors in J-PARC	Dr SATO, Yoshinori
