

J-PARC Symposium 2019

Wednesday, 25 September 2019

CRY: Cryogenics for high intensity beam - Room 303 (10:40 - 12:30)

time	[id] title	presenter
10:40	[41] The LHC Cryogenics System at CERN and Operational Experience from the last 4-years physics Run2 (2015-2018)(invited)	DELIKARIS, Dimitri
11:10	[42] Cryogenic activities in RIKEN RI beam factory (invited)	OKUNO, Hiroki
11:40	[43] Licensing and current status of the High Current Superconducting Cavities for the IFMIF Prototype Accelerator (invited)	KASUGAI, Atsushi
