

# J-PARC Symposium 2019

## Thursday, 26 September 2019

MLF-BI: Biology - Room 406 (15:40 - 17:30)

time	[id] title	presenter
15:40	[150] A view on protein internal dynamics using Neutron Spin Echo Spectroscopy (invited)	BIEHL, Ralph
16:10	[151] Neutron and high-resolution X-ray structural studies of cellulases (invited)	IGARASHI, Kiyohiko
16:40	[152] Muon stopping sites and stopping states in proteins (invited)	SUGAWARA, Yoko
17:10	[153] Subunit dynamics in $\alpha$ -crystallin through deuteration-assisted small-angle neutron scattering	INOUE, Rintaro
