

J-PARC Symposium 2019

Wednesday, 25 September 2019

PN-NP1: Neutrino Physics session 1 - Room 201 (13:30 - 15:20)

time	[id] title	presenter
13:30	[108] The Precision Reactor Oscillation and Spectrum Experiment [invited]	MUMM, Pieter
13:55	[109] Review of sterile neutrino experiments with accelerator neutrinos [invited]	MARUYAMA, Takasumi
14:20	[110] T2K future prospects with J-PARC neutrino beam and near detector upgrades [invited]	MATSUBARA, Tsunayuki
14:45	[111] Neutrino oscillation and matter-antimatter asymmetry of universe [invited]	YIN, Wen
