

# J-PARC Symposium 2019

## Thursday, 26 September 2019

SAF: Safety for Intensity Frontier - Room 404 (13:30 - 15:20)

time	[id] title	presenter
13:30	[181] Radiation evaluation in RIBF (invited)	TANAKA, Kanenobu
14:00	[182] Behavior of gaseous radionuclides produced in the gold target at the J-PARC Hadron Experimental Facility	BESSHO, Kotaro
14:20	[183] Experimental study on neutron attenuation for 24 GeV/c proton beam on a thick Cu target	SANAMI, Toshiya
14:40	[184] Behavior of tritium release from a stainless vessel of the mercury target as a spallation neutron source	KASUGAI, Yoshimi
