

ISRD2018 : International Symposium on Radiation Detectors and Their Uses

Thursday, 25 January 2018

Neutron - Kobayashi hall (15:10 - 16:10)

time	[id] title	presenter
15:10	[44] O38: Determination of emission rates and spectra of neutrons from $^{241}\text{Am-Li}$ sources	HOSHI, Katsuya
15:30	[45] O39: Identification and quantification of nuclear nuclides using a pulsed neutron imaging technique	ITO, Daisuke
15:50	[46] O40: Neutron distribution measurement by the self-activation of a CsI plate with CCD camera using a decaying self-activation imaging technique	NOHTOMI, Akihiro
