

# 8th International Conference on Quarks and Nuclear Physics (QNP2018)

## Friday, 16 November 2018

16B1 Hadron Spectroscopy (Heavy Baryon) - Room 403 (13:30 - 15:20)

time	[id]	title	presenter
13:30	[122]	$\Omega_c$ excited states with heavy-quark spin symmetry	TOLOS, Laura
14:00	[123]	Structure of heavy baryons in a pion mean-field approach	KIM, Hyun-Chul
14:20	[124]	Doubly heavy baryons expanded in $1/m_Q$	MATSUKI, Takayuki
14:40	[126]	Radiative transitions of singly and doubly charmed baryons in Lattice QCD	BAHTIYAR, Huseyin
