

XQCD 2019 (The 17th International Conference on QCD in Extreme Conditions)

Tuesday, 25 June 2019

Session 7 - 134 (14:35 - 16:10)

-Conveners: Tetsufumi Hirano

time	[id] title	presenter
14:35	[13] Novel transport phenomena with chirality, vorticity and magnetic field	Prof. LIAO, Jinfeng
15:20	[23] Axial kinetic theory and spin transport for massive fermions	Dr YANG, Di-Lun
15:45	[22] Relativistic quantum molecular dynamics approach for heavy-ion collisions at high baryon density region	Prof. NARA, Yasushi
