

J-PARC Symposium 2019

Thursday, 26 September 2019

MLF-ES: Energy Science - Room 102 (15:40 - 17:30)

time	[id] title	presenter
15:40	[84] Ionomer Films for Fuel Cells Cast on Different Substrates Analyzed by In-Situ Neutron Reflectometry under Controlled Temperature and Humidity (invited)	INUKAI, Junji
16:10	[85] Hydrogen absorption and desorption reactions of hydrides studied by neutron diffraction and inelastic neutron scattering (invited)	SATO, Toyoto
16:40	[86] Neutrons & Muons for Future Energy Materials (invited)	MANSSON, Martin
17:10	[87] Diffusion dynamics of hydrogen atoms in PdPt nanoparticles studied by quasielastic neutron scattering	AKIBA, Hiroshi
